

The Homeowners Association of Cypress Lakes, Inc.
Mailbox specifications for Painting and Numbers

The color for the mailbox is 'DARK HUNTER GREEN', GLOSS, made by Rust-Oleum.
Color code is on the back of the can, 7733,
at the bottom, atop the UPC bar code 20066 77338.

The only local place to get acceptable numbers is Signs Now 1711 Lakeside Ave Suite 1, St. Augustine which is the shopping center across from Cobblestone; their phone number is (904) 810-5838. They are closed on Saturday but you can order by sending name, phone number and house number [to info@signsnowstaug.com](mailto:info@signsnowstaug.com). They will call you once they are made and once they get your payment information they will mail them.

This is the information for the correct mailbox and a good source:
